## 1. Importance of Educational Visits

We believe that educational visits are an integral part of the entitlement of every child to an effective and balanced curriculum. Appropriately planned visits are known to enhance learning and improve attainment and so form a key part of what makes Newfield a supportive and effective learning environment.

Out-of-classroom learning makes a unique contribution to a child's education, and offers many varied benefits to them, not least developing a sense of place and wonder for the world around them. By taking part in these experiences throughout their time at school, children learn lessons that complement those taught within the classroom. At the same time, they also have fun and get some exercise in the fresh air.

Supporting Educational visits and Adventurous Activities across the curriculum at Newfield is a key driver in engaging, inspiring and enthusing young people, enabling learning and development through real life experiences and helping all our young people to realise their potential. Newfield remains committed to promoting such experiences and recognises the impact and value they can have on children and young people's learning and development.

## 2. Purpose, Status, Remit & Definitions

This document outlines Newfield's policy and procedures for educational visits.

Any visit that leaves the school grounds, and any taking place on the school grounds facilitated by a third party, whether as part of the curriculum, during school time or outside the normal school day, is covered by this policy.

All staff are required to plan and execute visits in line with this policy, which follows the BWDBC Educational Visits Guidance (the guidance), underpinned by the Outdoor Education Advisors' Panel National Guidance ([OEAP NG](#)). Staff are particularly directed to be familiar with the roles and responsibilities of key staff (see Section 4 of the guidance).

**This policy must be approved by Governors and should be reviewed on an annual basis or when required in response to any incident or lessons learned.**

This policy should be read in conjunction with:

- OEAP (The Association of Advisers for Outdoor Learning and Educational Visits) National Guidance for the management of high-quality outdoor learning, educational visits and adventurous activities - <https://oeapng.info/about-national-guidance/>
- Blackburn with Darwen Borough Council Educational Visits Guidance 2025 (v1) – see appendix 1

### Definitions

EVC – Educational Visits Co-ordinator

Visit Leader – A member of staff who is deemed 'competent'; i.e. has a real sense of responsibility, extending beyond the teaching of the subject; has concern for the pupils' well-being and possess the necessary organising ability.

## Documents as appendices

- EVOLVE (EV1) – web based calendar of visits with specific dates/times/destinations and staff ratios indicated. (see appendix 2)
- ESRA (EV5) – Event (and group) Specific Risk Assessment (see appendix 3)
- EV7 – Visit leader’s emergency contact cards for daytime and out of hours visits (see appendix 4)
- BwDBC Adventurous Activities (see appendix 5)
- EV6 – Use of private vehicles (see appendix 6)
- Community Visit Plan (see appendix 7)
- EV8a –Emergency Card for base contact (see Appendix 8)
- EV8b – Additional Guidance for Head of Establishments (see appendix 9)
- EV4 – Tour Operator Provider Form (see appendix 10)
- EVC Monitoring report sheet (see appendix 11)
- BwD Flow Chart of Planning a Visit (see appendix 12)
- EV3 - (see appendix 13)
- EVC Governor report sheet (see appendix 14)
- Reporting a Safeguarding Incident when a child exits school unsupervised or is ‘lost’ (see appendix 15)

## 3. EVOLVE

EVOLVE ([www.blackburnvisits.org](http://www.blackburnvisits.org)) is the web based planning, notification, approval, monitoring and communication system, used by BwDBC.

All staff leading or accompanying visits should have an EVOLVE login giving access to the BwDBC EVOLVE website. Staff requiring a login should see the EVC (Educational Visits Coordinator) who is able to set up logins for staff.

Staff should see the section in this document named ‘Types of Visits’ for details of what needs to be recorded on EVOLVE.

All relevant BwDBC guidance is available on EVOLVE.

## 4. Roles and Responsibilities

### 4.1 Visit Leader

Visit Leaders are responsible for the planning of visits but should involve both accompanying staff and the children in this process.

Staff must not sign any contracts; enter into any agreements; pay any money or deposits; or advertise visits with pupils/ young people until outline permission has been obtained from the Head Teacher/ Senior Manager.

Staff must make appropriate checks of any third party providers.

Visit Leaders should refer to:

- Section 4.1 of the BwDBC Educational Visits Guidance and familiarise themselves with the [OEAP NG documents](#) listed there which are relevant to their role;
- The [Visit Leader Checklist from OEAP NG](#).

## 4.2 Educational Visits Coordinator (EVC)

	EVC(s)	Date of last EVC training
1 (Lead)	Jenny Riley- Deputy Headteacher	20/03/25
2	Vicki Clements – Deputy Headteacher	20/03/25
3	Chris Carter – Assistant Headteacher	September 23
4	Katrina Heyworth - Assistant Headteacher	14/01/25

(This should be within the last 3 years - the EVC should attend a full BwDBC EVC training day, and thereafter at least once every 3 years.)

The EVC will support and challenge colleagues over visits. They are the first point of contact for advice on visit related matters. The EVC will check final visit plans and risk assessments before submitting them to the head/senior manager for approval.

The EVC should refer to:

- Section 3 of the BWDBC Educational Visits Guidance and familiarise themselves with [the OEAP NG documents](#) listed there which are relevant to their role;
- The [EVC Checklist from OEAP NG](#).

## 4.3 The Head Teacher

The Head Teacher/ Senior Manager has responsibility for monitoring and final approval of all visits.

The Head Teacher/Senior Manager should refer to:

- Section 4.3 of the and familiarise themselves with the [OEAP NG documents](#) listed there which are relevant to their role;
- The [Head or Manager Checklist from OEAP NG](#).

## 4.4 The Governors

The Governors will be informed of all visits on an annual basis. They will be asked to approve in principle all Level 3 visits prior to them taking place. Visits are included on the agenda of Governor meetings allowing Governors to fulfil their role as ‘critical friend’ in the scrutiny of all visits and in particular Level 3 visits.

Nichola Gill-Smith is our named EVC governor.

Governors will review and approve this policy on an annual basis or when required in response to an incident, and will maintain an overview and monitoring role to ensure that all visits are carried out in accordance with this establishment policy and the BWDBC Educational Visits Guidance.

The Governors should refer to:

- Section 4.4 of the BWDBC Educational Visits Guidance;
- The [Management Board and Governor Checklist from OEAP NG](#);
- The Member of a Management Board or Governing Body – [responsibilities OEAP National Guidance](#)

## 5. Staff Competence

We realise that staff competence is the single most important aspect of safe visit management and so we support staff in developing this competence in the following ways:

- An apprenticeship system, where staff new to visits assist and work alongside experienced visit leaders before taking on a leadership role;
- Supervision by Senior staff of more complex visits where appropriate;
- Regular CPD for all staff involved with visits, including: risk management, emergency procedures, visit leader training, group management, first aid;

In deciding whether any member of staff is competent to be a visit leader the head teacher will take into account the following factors:

- Level of relevant experience;
- Any relevant training undertaken, including any relevant qualifications such as for hill walking. These should be scanned and loaded onto the member of staff's profile on EVOLVE;
- The emotional and leadership ability of any prospective visit leader to make on-going risk management judgements and take charge of any emergencies that may arise;
- Knowledge of the children, the venue and the activities to be undertaken.

Accompanying staff should have clearly defined roles, be involved in the planning process and be competent to carry out their assigned role.

## 6 Types of visits

There are three types of visits:

- Level 1
- Level 2
- Level 3

However, due to the complexity of need of our children at Newfield, we treat all visits as at least level 2 and as such they are all recorded on EVOLVE and incur an ESRA.

We believe that the needs of our children are too extreme and diverse to be covered under a generic risk assessment, and as such we do not have a level 1 risk assessment for use.

See the table below for further details.

## 8 Planning a visit – the visit leader’s “to do” list

Things to do		
All visits		
1	Obtain provisional agreement from Manager before any commitment is made	
2	Funding arrangements and <a href="#">charging</a> policy agreed	
3	Pre-visit carried out where practicable	
4	Clear learning outcomes linked into the curriculum	
5	Planned activities are appropriate to the needs of the group	
6	Activities will maximise the benefits to the pupils while managing significant risks	
7	Effective supervision is in place i.e. the visit is appropriately staffed	
8	There is a designated deputy leader	
9	This visit complies with the safeguarding policy	
10	This visit has been recorded on EVOLVE	
11	A visit specific risk assessment is in place	
12	The risk assessment is attached to the visit form on EVOLVE	
13	All staff on the visit have been involved in writing the risk assessment where possible	
14	Pupils have been involved in the planning and risk assessment process where possible	
15	Parents have been kept fully informed	
16	Appropriate consent is in place. ‘Blanket’ consent for general visits, specific consent for visits with a higher degree of risk or which extend beyond the school day	
17	Visit has been planned and executed in accordance with BWDBC Educational Visits Guidance	
18	Accompanying adults/providers/pupils have been briefed about their roles and responsibilities	
19	Accompanying adults/providers/pupils have been briefed about what to do in an emergency	
20	Accompanying adults/providers have been briefed about the needs of individual pupils	
21	Base contact has been fully briefed and has access to all relevant documentation	
22	Suitable checks on external providers have been made	
23	Reference to the appropriate <a href="#">Visit Leader Checklist</a> on OEAP NG has been made	
Level 2 & 3 visits		
24	Entered and approved on EVOLVE	
25	Parental <a href="#">consent</a> gained	
26	Itinerary Visit attached to visit form on EVOLVE	
27	Visit specific attached to visit form on EVOLVE	
28	Information provided to parents/pupils attached to visit form on EVOLVE	
29	Parents meeting presentation attached to visit form on EVOLVE (if applicable)	
30	EV4 and public liability insurance if an external provider does not have the CLOtC Quality Badge	
Required for all visits		
31	Visit leader holds the following:	
	• List of all adults and pupils on the visit	
	• EV7 Emergency procedures card (including 24hr contact where appropriate)	
	• First aid kit	
	• Mobile phone	
32	Base contact holds the following:	
	• List of all adults and pupils on the visit	
	• EV7, EV8a & EV8b Emergency procedures cards including visit leader contact details	
	• Any other relevant information e.g. medication, parents contact details, staff next of kin	
	• 24/7 access to all visit details and documentation	

## 9 Parental Consent

Staff must ensure that appropriate consent is in place:

- 'Blanket' consent for Level 1 and 2 visits (annual or 'life at the school' consent).
- Specific consent for Level 2 adventurous & Level 3 visits and for visits that extend beyond the school day.

## 10 Risk Management

**A visit specific risk assessment must be implemented by staff for all visits and attached to the visit form on EVOLVE.**

### Level 1 Visits

It is expected that routine, low risk visits (Level 1 visits) will be managed using Standard Operating Procedures (SOPs).

However, at Newfield due to the complexity of need of our children at Newfield, we treat all visits as at least level 2 and as such they are all recorded on EVOLVE and incur an ESRA.

We believe that the needs of our children are too extreme and diverse to be covered under a generic risk assessment, and as such we do not have a level 1 risk assessment for use.

Where additional factors apply such as a group with unusually challenging behaviour; extreme weather; an inexperienced leader; then a visit specific risk assessment may be required to cover any additional issues.

### Level 2 & Level 3 Visits

For Level 2 and Level 3 (more complex) visits, a visit specific risk assessment must be carried out using the STAGED model as outlined below.

Please note any additional risk assessment must be attached to the EV1 or EVOLVE visit form for monitoring by the EVC and Head/Manager before approval can be given.

### On-going (dynamic) risk assessments

This is what the staff do on a visit to keep the group safe – '*active risk management*'. It involves continuously assessing situations as they unfold and adjusting your response to effectively manage any issues/risks that may arise. This is not a written risk assessment.

All staff are responsible for carrying out effective on-going risk assessments based on competence, experience and common sense. Staff teams must be suitably competent and experienced so that they are able to effectively manage any situations they are likely to encounter on the visit.

### What to consider when carrying out an Off-site visit risk assessment

When considering whether there are any significant risks that need managing it is recommended that staff use the following model:

#### STAGED:

Staffing	(Including competence, experience, ratios, effective supervision etc.)
Timings	(Travel & Timings, itinerary, downtime etc.)
Activities	(Programme, activities to be undertaken. Who will lead? Adventurous? Etc.)

<b>Group</b>	(Additional needs: learning, behaviour, disabilities, medical, nature of the cohort etc.)
<b>Environment</b>	(Venue, accommodation, weather, water levels, crowds, other users, culture etc.)
<b>Distance from base</b>	(Support systems, particularly for residential visits and visits abroad)

#### Procedures for risk management:

1. Any significant risks must be recorded on an **event specific risk assessment** (EV5 Form)
2. When completing the risk assessment/ planning the staff should ask the following question:  
***What are the really important things we need to do keep the group safe?***
3. The **On-going (dynamic Risk Assessment)** is really important – this is what the staff do during the visit to keep the group safe (see the Ongoing risk assessment section above)
4. All staff have a responsibility to review risk assessments after every visit.
5. All staff going on the visit should be involved in the planning process, which should include the checking and writing of any risk assessments. The visit leader should take the lead with the planning but as a rule should not complete risk assessments on their own. Ideally, risk assessments will be the product of discussions between the staff team.
6. Young people should be included in the risk assessment process where appropriate. This can help them learn how to managing risk for themselves.
7. All staff, volunteers and young people must be briefed appropriately regarding the risk assessments prior to departure.
8. Staff only need to record **significant risks**. Risk assessments should be proportionate, simple and easy to use.
9. Where an external provider is being used, the provider has responsibility for risk assessing and managing the activities they deliver. Visit Leaders should **not** ask for copies of providers' risk assessments. It is appropriate, however, to ask for any information that they publish that is specifically aimed at helping Visit Leaders to manage their visit.

## 11 Monitoring

The role of monitoring is shared between the EVC, the Head, the staff and the Governors. The checking and approval process is a very important part of monitoring and is shared between the EVC, Head and Governors.

- Field monitoring is also recognised as important. Staff are encouraged to peer monitor and give feedback to colleagues. In addition the EVC, Head or other experienced senior staff should carry out monitoring visits from time to time in order to support staff and encourage good practice.

EVC Monitoring report sheet (see appendix 11)

Any such monitoring should be intelligently targeted to support staff where appropriate and to identify and share good practice.

## 12 EV3 – Establishment Self-Assessment Form/ Compliance Checklist

The [EV3 Form](#) will be completed annually by the EVC and Head teacher and will be overseen by the Governors.

A copy will be provided to the Governors.

An electronic copy of the completed EV3 Form will be emailed to the [Education Consultant \(Learning Outside the Classroom\)](#).

Any action points raised by the EV3 Form should form the basis of an action plan and training programme for the coming year. This process can help to fulfil the school's/establishment's Health & Safety requirements and can help to inform any inspection regime e.g. Ofsted.

## 13 Induction, training, apprenticeship, succession planning

The EVC must attend a full BwDBC EVC training day, and thereafter attend EVC training at least once every 3 years.

New staff are trained by the EVC so that they are familiar with the procedures for Off-site Visits as part of their induction. This is included and recorded as part of their induction programme.

All staff should undergo regular training in relation to Educational Visits. This could be on an annual basis and should be at least every 3 years or when significant changes are implemented. The training could be led by the EVC and Head/Manager or contact [thomas.booth@rochdale.gov.uk](mailto:thomas.booth@rochdale.gov.uk) for OEAP Visit Leader training.

An apprenticeship model should be used so that inexperienced staff can shadow experienced and competent visit leaders until they are ready to lead visits themselves. This model also allows for effective succession planning.

Training records are kept by the School business services team.

Records of any relevant staff qualifications (e.g. Mountain Leader Award or First Aid qualification) including a scanned copy of the certificate should be saved on the member of staff's profile on EVOLVE. (See Section 16: [BwDBC Requirements for Off-site Visits and Adventurous Activities](#)).

## 14 Assessing venues and external providers

**To confirm that all aspects of the operation of the provider are satisfactory, the establishment must ensure that either:**

a) The Provider holds an LOTC Quality Badge [www.lotcqualitybadge.org.uk](http://www.lotcqualitybadge.org.uk)

**or**

b) An [EV4 Provider Form](#) has been satisfactorily completed by the provider, and they have provided a copy of their public liability insurance.

Note: If a Provider holds an [AALA licence](#) (and/or any other accreditation) but **not** an LOTC Quality Badge, then an **EV4 Provider Form is still required**.

Where an external provider is being used, the provider has responsibility for risk assessing and managing the activities they deliver. Visit Leaders should **not** ask for copies of providers' risk assessments. It is appropriate, however, to ask for any information that they publish that is specifically aimed at helping Visit Leaders to manage their visit.

## 15 Volunteers

Volunteers will require a Criminal Record Check if they are involved in a regulated activity. Staff should discuss this with the EVC and the 'Designated Person' (DP) to establish if a check is required. Criminal Record Checks are now carried out by the DBS (Disclosure and Barring service).

Volunteers should be inducted/briefed and assessed as competent to carry out their assigned role. They will also require supervision by staff.

## 16 Emergency Procedures

The BwDBC Emergency procedures for visits can be found on the home page of the [BwDBC EVOLVE website](#) (select the Emergencies link on the red band).

In the event of an incident staff must use the EV7, EV8a and EV8b – by doing so staff will be led through the correct procedure.

Both the visit leader and the base contact should have 24/7 access to all the details of the visit, including medical and next of kin information for both the staff and the young people.

The visits emergency procedures should key into the school's emergency planning.

Where there has been an incident/accident/near miss on a visit, staff should complete the Health and Safety incident reporting form and attach it to the visit form on EVOLVE.

## 17 Behaviour

Young people will be supported to regulate their behaviour whilst on visits. They will be supported by staff who are familiar with them and who can support their communication, medical and regulation needs. Staff will be familiar with any specific plans in place to support children.

## 18 Inclusion

The school ethos supports inclusions in all areas of school including visits. We encourage integration through participation with peers. Newfield is committed to ensuring all children have access to visits regardless of additional need.

All visits must comply with the Equality Act 2012.

Staff must plan early to overcome any inclusion issues. Reasonable adjustments must be made to accommodate any young person with disabilities as long as the adjustments don't unduly impinge on the rest of the group.

Expectations of staff must be reasonable, so that what is required of them is within their competence and is reasonable.

Staff should discuss any issues with the EVC, the SENCO and where appropriate the BwDBC Inclusion Support Team. The views of the young person and the parent/carers should be included in the discussion.

## 19 Insurance

Educational Visits Insurance is provided by the Department for Education (DfE) Risk Protection Arrangement for Schools (RPA) system

<https://www.gov.uk/government/publications/risk-protection-arrangement-rpa-for-academies/academies-risk-protection-arrangement-rpa>

## 20 Finance

There must be clear procedures for staff to follow including:

- initial approval of financial plans/ costings
- Requirements for accounting, banking and reporting
- How much contingency to build in and what to do with any excess after the visit
- Management of 'voluntary contributions'/ what to do if you don't get enough money in to break even?
- Any arrangements in place for young people unable to afford a visit

## 21 Transport

We follow the guidance in the Transport section of the BwDBC Educational Visits Guidance, Section 8.11.

If transport is to be used for the visit then the visit leader must indicate on the EVOLVE what form the transport will take. This could be a public service vehicle, a hired minibus/coach, the school minibus or a private vehicle. In the case of a private vehicle being used to transport pupils then an EV6 must be completed. This will ensure that the correct driver's insurance is in place.

If the school minibus is used, then ONLY trained MIDAS (Minibus Driver Awareness Scheme) – drivers will be permitted to drive.

If the school Berlingo is used, then ONLY staff who have received the in-house Berlingo training will be permitted to drive.

## 22 First aid arrangements

Newfield school has pupils on roll with very complex medical needs. Staff are highly trained in looking after their needs and if they have any concerns about the health and well-being of any of the pupils then they will make the decision whether or not the pupil should attend the visit. They will also call and take advice from parents before making final decisions.

The BwD BC guidelines for first aid provision for a visit are as follows:

*'The level of first aid provision for a visit should be based on risk assessment.*

*The EVC (or Visit Leader) should make a professional judgment as to the level of first aid required for a particular visit. This decision could be influenced by factors such as the environment and proximity to emergency services or professional care. However, as a minimum, BwDBC asserts that for all visits there should be a responsible adult with a good working knowledge of first aid.'*

Before undertaking any off-site activities or educational visits, the visit leader should assess what level of first aid provision is needed.

Refer to [National Guidance](#) document 4.4b First aid

*'Qualified first-aiders may not be necessary for all off-site activities and visits. However, a basic level of first aid support should be available at all times.*

*This will require that one or more of the staff leading the activity:*

- *Has a working knowledge of simple first aid and is competent to use the first aid materials carried with the group;*
- *Knows how to access, and is able to access, qualified first aid support. '*

For children in the Early Years Foundation Stage, there is a statutory requirement that at least one person who has a current paediatric first aid certificate and sufficient understanding and use of English to summon help in an emergency must accompany children on outings.

The First Aider will arrange to take a First Aid kit on the visit; First Aid Kits are also located on the school minibus. (For further information please see: Newfield School First Aid Protocol)

See BWDBC Educational Visits Guidance Section 8.12.

## 23 Accidents, incidents and near misses

**Any accident, incident or near miss on an educational visit should be reported.** To avoid duplication, write the incident up in the usual way when reporting to your H&S provider, then **attach a copy to the visit form with a note for the attention of the LA.**

If a child has gone missing, even for a short time, complete the LAs missing child report for.. This is available on the Services for Schools website, Evolve (go to "Resources" then click on the "Forms" tab) and in Appendix 15.

## 24 Risk Management

All visits that take place are naturally more complex due to the nature of the pupils. Whether it is behaviour management, or medical needs it is important that staff have thought through the risks associated with taking a group out of school.

An event specific risk assessment ESRA must be carried out. (see appendix 3)

When the Visit takes Place

On the day of the visit the visit leader must:

- have all pupils' emergency contact details
- collect an EV7(see appendix 4) (The EV7 can be found on the school network:- O:\Staff\Staff Room\Educational Visits
- check all pupils have suitable clothing for the visit and have any necessary medication (e.g. asthma inhaler)
- collect a first aid kit

On departure, the visit leader must leave a Community Visit Plan (appendix 7) in the medical room at school. The visit form must include:

- the names of all the pupils and staff attending the visit
- the destination
- a contact mobile telephone number
- an expected time of return

## Reporting a Safeguarding Incident when a child exits school unsupervised or is 'lost'.

This form should be completed and submitted to the safeguarding SEO immediately in the event of:

- a child leaving the school premises unsupervised at any time during the period of the school day
- Becoming separated or lost from school supervision whilst outside of the school premises e.g . on a trip/visit

**Equality Duty**

Newfield School complies with the general and specific duties of the Equality Act (2010). In accordance with the duty we publish information that demonstrates that we have due regard to the need to;

- Eliminate unlawful discrimination
- Advance equality of opportunity
- Foster good relations

These specific duties have been considered in relation to all our policies and procedures in school. Our objectives will be reported on and published as part of the Governance public documents available for inspection under the Freedom of Information Regulations and Data Protection duties and in the school newsletter to parents.

**Safeguarding**

Newfield School is committed to safeguarding and protecting the welfare of children and vulnerable adults as its number one priority

Full copies of Policies and Procedures related to all aspects of Safeguarding, and the Complaints Policy, are available on request from Rachel Kay, Head Teacher and Designated Senior lead for Safeguarding and Child Protection.
